

How to Buy a Car With Your LLC or Business

Free eBook

How to buy a car with your LLC or business: (Free eBook)

You don't need to use your personal social security number to apply for the loan on the vehicle, there are many car businesses that are willing to accept and offer you a loan directly through your business, as long as your business is creditable through a verification process. First step, visit the Dun and Bradstreet website at <https://www.dnb.com/> on the site you will find useful information and a helpful service.
